

# ENVIRONMENT, HEALTH & SAFETY POLICY

Care Professional Services (CPS) is committed to:

- ▶ Strive to protect the environment and the health and safety of workers by sharing responsibility at all levels of organization including employees of Care Professional Services, clients, visitors, stakeholders, subcontractors and customers.
- ▶ Protect the assets of the company, clients, subcontractors and stakeholders and other internal and external parties from damages or lost.
- ▶ Identify potential risks and significant impacts related to our business and to establish best operational controls for environmental and occupational health & safety related activities
- ▶ Protect environment from occupational damages and implementing an effective system to prevent pollution, ill health and depletion of natural resources resulting from our business practices.
- ▶ Promote positive Environment Health & Safety culture by implementing effective training programs, seminars and awareness.
- ▶ Encourage employees to communicate, participate and work as a team to develop safe working environment and healthy business practices as per Abu Dhabi EHSMS and other legal requirement.
- ▶ Provision of insurance to all employees for their safety as per UAE labor law.
- ▶ Ensure the continual improvement of the EHS management system by setting, monitoring and reviewing Health, Safety and Environment' objectives and targets
- ▶ Comply with applicable statutory, regulatory and legal requirements related to products and services offered by our company.
- ▶ Provision appropriate EHS resources.
- ▶ CPS shall encourage all employees who are sub-contracted by clients or any third parties to full adhere, comply and implement the EHS requirement and polices.
- ▶ Serving internal and external parties by creating an environmental friendly atmosphere with an emphasis on health and safety aspects.
